Puli Eco

Degreasing cleaner for daily cleaning of surfaces in contact with food:

Dati tecnici:

- Physical state: colourless liquid
- Specific gravity (g/cm³): 1,015
- pH (20°C) pure: 10-11
- Flame point (ASTM): non-flammable
- Solubility in water: soluble
- Fragrance: Fragrance-free

Descrizione:

Multipurpose degreasing cleaner for everyday cleaning of all surfaces, ideal for food-contact areas such as hobs, tables, fridges, microwaves and shelves.

Campi d'impiego:

Recommended for daily multipurpose degreasing cleaning of:

- tables and worktops
- hobs and stovetops
- fridges
- ovens, mini ovens and microwaves
- induction hobs
- food-contact surfaces

Prestazioni:

PULI ECO is a ready-to-use multipurpose degreasing cleaner designed for daily cleaning of surfaces exposed to greasy dirt, including washable areas that may come into contact with food. In particular, it:

- delivers strong degreasing action while remaining non-aggressive, making it suitable for frequent use;
- is ideal for cleaning tables, hobs, stovetops, fridges, ovens, mini ovens, microwaves, induction hobs and food-contact surfaces;
- removes grease and helps eliminate unpleasant odours from treated surfaces;
- does not leave harmful residues after application and rinsing;
- is surface-friendly and suitable for delicate materials such as aluminium, marble and wood;
- is fragrance-free and contains no caustic soda, dyes, ammonia or solvents.

Istruzioni per l'uso:

Ready-to-use product.

- Spray PULI ECO directly onto the surface to be cleaned.
- Depending on the level of dirt, leave it to work for a few seconds up to a few minutes.
- Wipe the surface with a [microfibre cloth](#) or the most suitable cleaning tool.
- Finally, rinse thoroughly with water, especially on food-contact surfaces.

For particularly stubborn dirt, increase the contact time before wiping.

Resa:

Precauzioni:

None.

Indicazioni di pericolo:

Ingredients in accordance with Regulation (EC) No 648/2004:

Non-ionic surfactants less than 5 %, 1,2-benzisothiazol-3(2H)-one, sodium pyrithione.
